

GREEN LIVING

Avalon Brea Place

COMMITMENT TO SUSTAINABILITY

At AvalonBay Communities, we have made it a corporate priority to evaluate and implement practices that promote the efficient use of natural resources in the design, construction and operation of our apartment communities and corporate offices from coast to coast.

We strive to reduce our impact on the environment, and we believe that promoting sustainable practices is vital to our success as an organization. By ensuring that ecologically responsible practices are integrated into our long-term strategy, we can protect the environment while enhancing the lives of our residents.

Smart design. Smarter savings.

Eco-friendly design is also people friendly. And both are important to us. Our apartment homes are designed with sustainability in mind, so you can live in an environment that's lighter on the planet and its resources.

Energy Efficiency

- Energy efficient windows
- Programmable thermostats in apartments
- ENERGY STAR® appliances
- Fluorescent or LED lighting in place of incandescent in common areas and parking garage
- Timer/Motion sensors for Common Areas & Model Apartments

Water Usage

- Low-flow shower heads in apartments and common areas, low-flow bath and kitchen faucets in apartments, common areas and back of house
- High-efficiency toilets and waterless or low-flow urinals in apartments, common areas, and back of house
- Use native, non-invasive plant species in landscaping
- Low-flow, drip or smart irrigation systems

Transportation, Re-Use & Air Quality

- Low-VOC carpet, paint, adhesives and sealants
- 100% smoke-free living
- Mass Transit Nearby
- Recycling program for residents
- Provides convenient bicycle storage for residents
