GREEN LIVING

Avalon San Dimas

COMMITMENT TO SUSTAINABILITY

At AvalonBay Communities, we have made it a corporate priority to evaluate and implement practices that promote the efficient use of natural resources in the design, construction and operation of our apartment communities and corporate offices from coast to coast.

We strive to reduce our impact on the environment, and we believe that promoting sustainable practices is vital to our success as an organization. By ensuring that ecologically responsible practices are integrated into our long-term strategy, we can protect the environment while enhancing the lives of our residents.

Smart design. Smarter savings.

Eco-friendly design is also people friendly. And both are important to us. Our apartment homes are designed with sustainability in mind, so you can live in an environment that's lighter on the planet and its resources.

- Low-VOC adhesives and sealants, low-VOC carpet, low-VOC paint
- Secure, convenient bicycle storage
- Energy efficient windows
- 100% smoke-free living
- Programmable thermostats in apartments
- Timer/motion sensors for common areas and model apartments
- ENERGY STAR® appliances
- Fluorescent or LED lighting in place of incandescent in common areas and fluorescent or LED lighting in parking garage
- Bike racks located on site
- Recycling program for residents
- Low-flow shower heads in apartments and common areas, low-flow bath and kitchen faucets in apartments, common areas and back-of-house
- High-efficiency toilets in apartments and highefficiency toilets and waterless or low-flow urinals in common areas and back-of-house restrooms
- Native, non-invasive plant species used on grounds
- Low-flow, drip or smart irrigation systems
