

GREEN LIVING

Avalon Piscataway

COMMITMENT TO SUSTAINABILITY

At AvalonBay Communities, we have made it a corporate priority to evaluate and implement practices that promote the efficient use of natural resources in the design, construction and operation of our apartment communities and corporate offices from coast to coast.

We strive to reduce our impact on the environment, and we believe that promoting sustainable practices is vital to our success as an organization. By ensuring that ecologically responsible practices are integrated into our long-term strategy, we can protect the environment while enhancing the lives of our residents.

Smart design. Smarter savings.

Eco-friendly design is also people friendly. And both are important to us. Our apartment homes are designed with sustainability in mind, so you can live in an environment that's lighter on the planet and its resources.

Energy Efficiency

- Energy efficient windows
- Programmable thermostats in apartments
- Timer/motion sensors for common areas
- ENERGY STAR® appliances
- Fluorescent or LED lighting in place of incandescent in common areas and garage
- Energy efficient HVAC system

Water Usage

- Low-flow shower heads in apartments, low-flow bath and kitchen faucets in apartments, common areas
- High-efficiency toilets in apartments
- Low-flow, drip or smart irrigation systems with rain collection and re-use system

Transportation, Re-Use & Air Quality

- Low-VOC carpet, paint, adhesives and sealants
- 100% smoke-free living
- Recycling program for residents

Visit AvalonGreenLiving.com for more information about our sustainability efforts.
