

Lease like
you want.
THAT'S OUR ANTHEM.

LOCK IT IN.

If you're up for a little financial peace of mind, you should consider the AVA two-year rent-lock lease. Signing a two-year lease with AVA will guarantee that you know your rent for the next 24 months - pretty cool right?

Here's how it works:

For the first 12 months, pay the total monthly amount listed under the 12-month term on your lease. For the following months, 13 through 24, pay the amount listed under the 24-month term.

Please contact the office for more information on our rent-lock lease.
